WHAT IS KERATIN?

Keratin is a revolutionary hair treatment to aid in straightening all hair types.

Keratin is a natural protein that is an important component in the hair. Keratin treatments aid in straightening grinding and curly hair that resists styling or hair that tends to react to moisture or heat.

Simply Brasil's Keratin hair treatments will give your hair a smooth, glossy finish and help reduce volume and frizz.

Our friendly staff is ready to answer any questions you may have about our products. Feel free to call us with any questions or requests. All products listed on our website are available to purchase.
